Businesses, Churches & Non-Profits

For Your Business

Financially supporting Thrive FM will accomplish two things—it will give your business exposure on the air and show our listeners that you care about ministry! When you support the station, we'll prepare a 30-second spot mentioning your business name, your products or services, your location and contact information. Additionally, your business will be listed on the Local Businesses page of the station's website. New underwriters also receive recognition on the Thrive FM Facebook page.

For Your Church or Non-Profit

Churches and non-commercial organizations can underwrite Thrive FM and promote their services, times of worship or special events. It's a great way to get your message out while supporting Christian radio.
